Dear Ron,

Thank you for your participation in the 2011 Creve Coeur Safety Fair held on Sunday, September 25. The Creve Coeur Police Department, Creve Coeur Fire Protection District, Barnes-Jewish West County Hospital and the Creve Coeur Joint Crime Prevention Partnership extend their appreciation to you for your donation of time, personnel and expertise throughout the day.

The partners of this very successful event estimate that there were about 1,200 attendees at the fair. Everyone enjoyed the participation of 44 different agencies and more than 200 volunteers. Without that assistance the fair would not have been possible.

We have received several compliments from fairgoers who were very impressed by the displays and agencies on hand at the fair. In particular, we would like to note you and Dave Allen were excellent representatives of Edward Wayne Industries. You delivered information about your agency and its mission and had a chance to possibly deter some burglaries in your area.

Thank you again, and if there is ever anything that I can do to assist you, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Chief Glenn Eidman".
