Dear Dave and Ron:

On March 6, 2000 the Crime Prevention Unit hosted a Neighborhood Watch Block Captains meeting and asked if you could do a presentation on the security features your company has available with the product called the "Jamb brace." You were able to accommodate the request and provided information to the approximately 65 people that attended the meeting.

The Crime Prevention Unit of the Olathe Police Department would like to convey our appreciation for a job well done. We wish you success and look forward to maintaining a sound partnership. Again, thank you for assisting in our public education efforts.

Sincerely,

Arthur L. Mabry
Chief of Police
